Yea team! Whose team? Our team! City Series cinched!! Big Six in the bag!! All this because these wonderful boys played their hearts out in all our games, especially in the Roosevelt and North games.

Oh look! And they're all ours. More than any other school has.

Food, food, food, and boys, boys, boys.

Sometimes we study, but usually we sleep.

# FOR THE SERVICE OF HUMANITY

## Five Big, Little Words Set Pattern for Desire To Help Others in World

These five little words mean East High is doing its best to help everyone in the world. Tradition and school spirit have had a lot to do with this idea. All 1,384 students and 48 teachers and 4 advisors are behind East High in everything we do. Tradition began in 1806 at Bird school, then moved to Webster in 1877. In 1891 it moved to the old East High on the corner at East Twelfth Street and Court Avenue. Then, in 1912, the present building became the home of East High and its tradition and school spirit. East High won its first trophy in 1895 at a track meet. The colors red and black were chosen in 1894 when our first football team was organized. Our school song was written in 1920 and has never been changed. Our school spirit is a spirit of co-operation and self-reliance which characterizes East High, whether on the field or in the classroom; it is an inheritance handed down from our alumni. It is up to us to keep that spirit marching on.

Standing in line for bus checks or game tickets?

Looks empty but there are a lot of ghosts in here.

Pep assembly . . . clap, clap . . .  
clap, clap . . . clap, clap.

Having a private party or can we join you?

# Sneak Preview of 1962

Let us take a peek into the future and see what has become of our worthy seniors, class of January, 1952.

Lowell Kramme has consented to take time out from his painting long enough to accompany us on our expedition. Here he comes now in his Cadillac. Hop in, gang! Let's go!

Passing through the countryside we see Nancy Russell and her hubby, that rich farmer she met at Iowa State, taking life easy while the hired hands, Charles Heller, Eddie Swim, and Donald Cooper tackle the chores.

As we near the town of Snooseville we notice a large crowd of screaming females. We soon discover the source—Martin Terrell and Neal Schattauer, now famous movie idols, surrounded by ardent fans. Here come the efficient police force, Darrell Baker, Jim Coleman, and Gayle Burgett to break up the riot. The truant officer, Dick Kramme, leads the girls back to school where we meet the principal, Karl Eggerss; boys' adviser, Bob Jones; and girls' adviser, Wilma Thornton.

Presently we feel the need for nourishment, so we proceed to Griffith's Diner where Shirley serves us some of her famous coffee. Before long we are stricken with an acute case of indigestion. Could be Shirley is drumming up business for Ronnie Trotter, now known as "the friendly undertaker", or maybe she buys groceries from town grocer Don Wolfson—wholesale, of course.

Soon the ambulance arrives, driven by Pat Hudson. We are taken to the City Hospital where we are admitted for treatment by head nurses Barbara Turner and Phyllis Larson—How did they ever graduate from college?

Driving away from the hospital, we see a fire truck and decide to follow it. We follow it to the water front where smoke is pouring from the windows of a small shack. Karen Shepherd, editor of the city newspaper, is there to cover the story. The capable fire fighters, Ronald Jones, Sidney McQuarry, and Preston Duncan soon discover it was all a false alarm. It was only those two mad scientists, Ronald Sevde and John Bradlee, trying to discover a formula for women's face powder and lipstick which doesn't contain one certain element. It seems that Hurless Yelick, that famous comedian, is allergic to this certain element and breaks out after every date. Too bad, huh?

After so much excitement we decided on some entertainment to relax our nerves. We were met at the theater by ushers George Eldridge and Don Bell who seated us near the front. The first number on the program was sung by Patricia Sonderleiter, a now famous Metropolitan Opera star. The next number was superbly rendered by Jon "Paderewski" Spong. The last number was a pantomime given by Kolleen Kennedy.

Leaving the theater we ran into Streets Commissioner, Aivars Pelds; Finance Commissioner, Cora Strong; and Garbage Collector, Carrol Askland. We gossip a while and learn that town dentist Don Olsen is moving his quarters to the outskirts of town as a result of complaints from city dwellers about the screams and groans from his office.

Well, time is running out and so must we. We feel that everything has turned out just as we might have prophesied it would, and by the way we are not one bit disappointed.

Mr. O. G. Prichard, principal of East, through his capable handling of activities, has gained the respect of East students and their parents. Mr. D. Q. Williams, boys' advisor, has charge of East's night school along with helping the boys with their problems. Miss Agnes Helmreich, girls' advisor, has charge of social activities and the student council.

## I Make A Motion

East's activities are planned by the student council under the direction of Miss Helmreich. One student is elected from each home room to serve on the council for a semester. This group plans our school parties and is the center of our school government. Dick Tuller is president, Gayle Burgett, vice-president, and Janice Beasley, secretary.

#### QUILL STAFF

Each year senior English students are recommended to try out for the Quill staff. These students each write an essay and from these are chosen the next semester's Quill staff. The staff is then split into sections and they go to work on putting out our year book. Karen Shepherd is the editor, and Nancy Russell is the co-editor.

## Traffic Squad

The hall monitors are a group of boys and girls selected from the study hall for each period. They are posted at the corners and intersections where they are needed. It is the duty of the hall monitors to keep the halls quiet during classes and see that all rules are obeyed.

A hall monitor can usually be recognized by his red and white badge inscribed, 'East High

Monitor.' These monitors should be not only recognized but respected. It is advisable and helpful to have the proper pink pass properly signed when going through the halls before school and during classes.

Hats off to our worthy monitors who are an important part of the group who help to make our school the fine place it is.

## Society Heads

Almost everyone agrees that a membership to one of East High's clubs proves to be not only very worthwhile but very enjoyable.

On every first and third Wednesday of each month the mixed clubs of East High meet. These are social groups such as the Latin, Spanish, and Shakespearean clubs.

On every second and fourth Wednesday of each month the boys' and girls' clubs meet.

Such clubs are Modern Miss, High-Y, Philomathean, Junior and Senior Zetaganthean, and Chess and Checkers.

The progress and management of the clubs are chiefly dependent upon the club presidents. Along with the honor of holding the president's office is the great responsibility of organizing many interesting and amusing activities. The clubs usually elect new officers for each new semester.

## "Initiation"

## Kapable Kids

Seniors who are chosen to serve as student teachers are picked because of their good character, aggressive personality, and high scholastic record. They benefit much from the experience of taking charge of a class when the teacher is not able to be in the room.

## Understudies

The Drake students who come to East High to practice teaching in a classroom gain much valuable experience that will help them in their future teaching jobs. Besides spending anywhere from three to seven semester hours at East, they attend several classes at Drake including one seminar meeting every week.

## Bookkeepers

The students who help Miss Carrie Larson in the library give up their study hall to do the job. They find reference material, check books in and out, and try to keep nearly two thousand books in order. Miss Larson would be greatly handicapped without these workers.

## The Sharps and Flats

The glee clubs are made up of boys and girls who are interested in advancing their musical knowledge and experience. The students chosen by Miss Greenhill to be in these groups often become members of the a capella choir. The work that is done in improving tone quality and breath control, in advancing

reading skills and musical understanding, and in learning to sing together in harmony help each member of these groups immeasurably. These musical organizations are often called on to perform in civic affairs and sing for school assemblies.

#### BOYS' GLEE CLUB

#### TRIO

The a cappella choir, under the direction of Miss Sigrud Greenhill, is a very busy and talented group. We hear them perform many times each year, but the greatest event is the Nativity.

The choir is the most advanced of the music classes. Out of it come our smaller groups which are chosen by Miss Greenhill.

## Pert Little Gals

Those pert little gals who strut so proudly with our band are our new majorettes. The girls have done a fine job this year despite the fact that they were working under a handicap as all of them are new and have had no experience. Some of last year's majorettes have coached the girls and they have worked hard.

## Lots of Music

Yelling signals to his eighty piece band during pre-school and fifth period marching band practises is only a part of Mr Borg's job of conducting the East High band. Beside these he is responsible for the pep band conducted by Bob Gallagher; a German band; the dance band which plays for some of the school parties; and the concert band for other programs.

Another responsibility for Mr. Borg is that of conducting a forty-piece orchestra which he says is "The best since I've been here." They have been playing pieces from "Surrey With a Fringe on Top" by Rogers and Hammerstein to Schubert's "Unfinished Symphony."

Besides playing with the orchestra for school plays and senior activities six of the members are also participating in the all-state band or orchestra. Betty Pittsley, Mary Rasmussen, and Sandra Jane Peterson, violinists, and Pat Tullis, cellist, made the orchestra while Ann Watson and Vincent Schneider are band members.

### WATCH THAT HEAT

We have surgeons, medical doctors, nurses, atomic research workers, and great scientists being trained right here at East High. Most of the students who take chemistry and physics in high school are planning to take further scientific training in college. Students in these classes are enlightened in all the newest developments in the experimental field. We can see that time spent usefully at East is really a "career in the making."

## Part Work . . .

### HAVING TROUBLE?

Practical training for boys is given in mechanical drawing, wood and metal shop, and auto mechanics classes. In these classes the boys learn the basic knowledge and then get a chance to put it into practice.

## Part Play . . .

### HOUSEWIVES AT EHS

Many girls in East High have the opportunity to learn the techniques of good housekeeping. There are twelve classes in the various phases ranging from the basic cooking and sewing knowledge to problems of raising children. These courses are an excellent basis for girls who are going to major in Home Economics in college or set up housekeeping after they graduate.

## "Mother Is A Freshman"

"Mother Is A Freshman" was directed by Mrs. Juniata Laser. The theme of the play centered around a mother financially unable to send her daughter to college. She solves the problem in a laugh-provoking way by going to college herself and getting a scholarship.

## Dramatists

Bonnie Soutter, Marilyn Miller, Janice Dove, Ruth Farstrup, Barbara Buckroyd, Sherma Stevens, Nita Hill, Janice Mosier, Lucy Morrow, David Leonetti, Bob Bousher, Harlan Christiansen, David Howard, Jon Spong, Lyle Griffiths.

## "Food, the Spice of Life"

These girls do a very worthwhile job. Each lunch hour they're kept busy ringing up the lunch sales, making change and selling candy and potato chips to those who wish to munch them in the noon movie.

Anyone who has been in our cafeteria will understand why these gals must possess steady nerves in order to work during the rush hours. They're never too busy to be polite.

## First Come, First Served

Are you aware of the responsibilities of our capable movie, assembly, and play ushers? It is their job to see that no fatal accidents occur during the rush which accompanies every assembly. They stand guard to help keep the students from trampling one another.

The play ushers assist in seating the audience at our school play. We appreciate their fine service.

## Lights, Camera, Action

The electricians are kept busy pushing light switches and controlling the lighting for our assembly programs. They are under the capable instruction of Mr. Wilbur Yount.

Everyone knows, or at least we think we know, what takes place in the little dark projection booth during the noon movie. The film is run by capable operators.

## And There Goes Mercury

These couriers are kept busy carrying news and a sample of the pool water to and from the school board office. They are aided in their speedy trips by the Des Moines Railway company as this is the means of transportation used. These boys are on the job, rain or shine.

#### MESSENGERS

Ronnie Jeglum, Irwin Knutson.

### HEADACHE RECEPTIONISTS

The girls chosen by Mrs. Clark to be nurse's helpers give up their study period to work in the nurse's office. This work often helps the girls with their future careers, especially if they plan to enter nurse's training.

### OFFICIAL AIDES

One of the most necessary groups of workers in our school is the clerical staff. They help Miss Helmreich, Mr. Prichard, Mr. Williams and Mrs. Clark by collecting absence slips, filing, typing, and many other important duties.

# GRID-IRON REVIEW

## EAST WINS CITY SERIES — TIES FOR BIG 6

**EAST 14, LINCOLN 0    EAST 14, MASON CITY 0    EAST 20, ROOSEVELT 13**

Spectacular runs of 92 yards and 75 yards, made by Jack Terrell and Bob Peel, respectively, gave the Scarlets a big boost toward their goal of retaining the City Series Crown.

Both T.D.'s which were made in the third quarter of the game, were followed up with two successful place-kicks by Fred Lucas.

### **EAST 40, DOWLING 6**

Stamina, speed, and stability accounted for Lee Township's overwhelming victory in the second game of the season.

East's six touchdowns, two of which were made by Herk Campbell, came on running plays from scrimmage. Other tallies were made by Jack Terrell, Bob Peel, Wayne Brooks, and Mike Carpenter. Conversions (place kicks) by Fred Lucas increased the Scarlet-Irish margin by four points.

### **EAST 39, E. WATERLOO 0**

Excellent defense was a major factor in helping East win its first Big Six Conference game. The Scarlets played exceptionally well, even though a heavy rain-storm was in progress throughout all four periods.

Fullback Jack Terrell led the scoring record with three T.D.'s. Richard Tuller, Larry Forbes, and Herk Campbell each scored once. Three place-kicks by Fred Lucas were good.

Fred Lucas was one of the 11 boys in the state to be chosen on the all-state football team. Herk Campbell represented East on the all-state second team, and Jim Sage was chosen as tackle on the all-state third team.

E.D.M., for the fourth consecutive time, pulled a crown out of the victory bag. The Scarlets were pushed to the top of the Big Six Conference league as a result of winning this game.

Lee Township's two tallies, scored in the second and third quarters of the game, were made by Wayne Brooks and Jack Terrell. Lucas kicked for the two additional points.

### **EAST 19, FORT DODGE 0**

The speedy Scarlets remained at the top of the Big Six Conference league as a result of another successful attempt to "defeat the competitor." East High's powerful line and forceful backfield kept the Dodgers from passing their (East's) 30-yard line at any time during the game.

Fred Lucas, Mike Carpenter, and Jack Terrell were each responsible for one tally. A successful place-kick by Lucas raised the score one point higher.

### **EAST 45, TECH 7**

Drives of 27, 59, 61, 69, 76 and 89 yards highlighted East's successful attempts for touchdowns in the second game of City Series competition. Three hundred seventy-four yards, 279 of which were picked up by Herk Campbell, were gained by the Scarlets during the game.

Ace receiver Fred Lucas scored three times, and tail back Herk Campbell scored twice. Mike Carpenter and Donald Bell, both seniors, each scored once. Three place-kicks, two by Lucas and one by Gayle Burgett, were good.

A 66-yard run by Jack Terrell highlighted the successful T.D. attempts by the speedy Scarlets. By winning this game, East became the first team in 29 years to capture the City Series crown a third straight time. The last third-time champion was the team of 1922.

Lee Township's three tallies, made by Terrell, Fred Lucas and Herk Campbell, came in the first two quarters of the game. Two out of three place-kicks by Fred Lucas were good.

### **EAST 7, NORTH 6**

History repeated itself for the first time in 30 years as the great Lee Township team completed an undefeated season. The East gridders reached the top of the ladder as a result of winning over their mighty foes in the eighth and last consecutive game.

The Scarlet's touchdown, made by Wayne McLain, came in the third quarter of the battle. McLain was also responsible for the extra point.

### **SCARLET STATISTICS**

Each year at the end of the football season the all-city high school team is chosen. Coaches, radio men and sports writers decide which eleven boys in the city have performed most outstandingly during the two months of "combat." This year, four fellows from East have been chosen. They are: End, Fred Lucas; Tackle, Gayle Burgett; Halfback, Herk Campbell; and Fullback, Jack Terrell. Lincoln High sent three representatives, and North and Roosevelt each sent two. Incidentally, Jim Sage and Frank Stermole were chosen to represent East on the all-city high school second team.

**CONGRATULATIONS, COACH SAVAGE!**

## They'll Get There

Once again the curtain rises on a victorious, hard-hitting second team. Coach Gregory and his spirited Canaries have reached the first goal successfully, and with the East High rooters cheering them on, we can be sure of one more brilliant first team next year. Although this squad shows up for a tedious practice every night after school, little limelight is thrown their way. As we all know, not every one of these hopefuls will make the grade of first team next fall, but with the constant work under experienced supervision going on now, it will certainly be a hard decision as to which will be the varsity material. This is really a big decision, for it means the realization of every player's dream—first team football.

Unfortunately, there will, of course, be those who can't quite make the grade, but this lack of experience is replaced by plenty of spirit.

### FIRST TEAM—BASKETBALL

Row 1: Ballard, Edwards, Kramme, Irwin, Elgaard, McLain; Row 2: Tuller, Mahaffee, Haltom, Maneeley, Peterson, Olsen, Moody.

## Sharpshooters

Every year at this time, the "basketball boys" are working long and laboriously to return to the shape they were in at the close of last season. Once again the question will arise, "Can East High defend her crown successfully, or will one of the always dangerous opponents at last defeat them?"

As we all know, for the second time in two years, our varsity team won its way to Iowa City for the state finals. Off to a good start, we won the first two games, Holy Family of Mason City, and Forest City. Though our next two games were lost, the East High spirit prevailed. We're out to win this year, so come on East High—we've gotta win, we've gotta win—let's go!!

### SECOND BASKETBALL TEAM

Row 1: Berry, Winters, Cockayne, Allen, Biddle, Snyder; Row 2: Potter, Stermole, McGee, Goheen, Gonner, Chastain; Row 3: McAdams, Fontanini, Frazier, Beal, McLain, Kramme, Miller, Neuman; Row 4: Kinsel, Knudson, Hilliard, Allen, Simpson; Row 5: Jacobson, Jackson, Larson, Edwards, Prichard, Booth.

## Happy Putters

Walter Barnard is the most able coach of the girls' golf team. The girls practice on Mondays and Thursdays at the Grand-view golf course.

These girls learn many things from their golfing experiences which are of great help to them. We are looking forward with great pleasure to their next season.

### GIRLS' GOLF TEAM

Row 1: Phyllis Brown, Jeanette Dunagan;  
Row 2: Judy Barrett, Norma Olafson, Barbara Blake, Phyllis Yost.

## Tee For Two

There were only two returning lettermen on the golf team this semester. They were Jack Peterson and John Wright. The other boys show great improvement, and we are sure they will prove it next semester.

The team with their coach, Walter Barnard, practice on the Grand-view golf course.

### BOYS' GOLF TEAM

Row 1: Robert Downey, Bill Hutchinson;  
Row 2: Jack Peterson, Dean Neese, Jim Thompson, John Wright, David Beal.

#### **GIRLS' TENNIS TEAM**

Row 1: Fredregill, Rife;  
Row 2: Ras-  
potnik, Swen-  
son, Johnson,  
Damon, Miller.

## Two Loves?

The girls' tennis team, under the direction of Helen Spencer, also practices on the Amos Hiatt courts.

Ruth Damon is rated as the "Number One Player," but much credit is also due to the other girls. Most of these girls will be back again with plenty of experience for next year.

#### **BOYS' TENNIS TEAM**

Row 1: Wonders; Row 2: Schrock, Newsom, Johnson;  
Row 3: Gail, Ballagh, Huth, Prichard, McGavran.

## That's a Racquet

The boys' tennis team, under the direction of Raymond Gewerth, practices regularly on the Amos Hiatt courts.

September 26, 1951, was the date of the city tennis meet held at Birdland. The Roosevelt "Net-Men" were able to retain the city crown. Eighteen prospects were reported to have gone out for the team.

#### WRESTLING TEAM

Row 1: May, Gail, Downey, Packey, Keyes, Murray, May, Davis, Boyles; Row 2: Sharp, Kettells, Owens, Senecaut, Carter, Weese, Newton, Matthews; Row 3: Gregory, Boehler, Carpenter, Pasutti, Derham, Glidewell, Calkins, McQuarry, Harlan.

## Matmen

East High's grunt and groaners keep up a rugged schedule each season. Under the coaching of Mr. Gregory, they claim their way to many victories and honors. Several lettermen returned this season to act as added insurance against East's strong rivals.

## Mermen

A big splash and they're off. Another race and we hope another victory for East High. The boys on the team work out in East High's pool every night during the season under the expert coaching of "Scotty" Russell. East is backing the swimming team all the way.

#### SWIMMING TEAM

Row 1: Cox, Reeves, Selover, Gustin, Wassmuth, Prall; Row 2: Williams, Lambert, Hockersmith, Cosner, Wolfson; Row 3: Machrill, Katzman, Smith, Mills, Forbes, Sears, Wright, Gould, Seaboch.

#### FALL TRACK TEAM

Row 1: Hilliard, Jones, Eldridge, Tillman;  
Row 2: Reeves, Williams, Harris, Berry;  
Row 3: Frazer, Haley, Bell, May, Hockersmith.

### Sprinter's Spree

"Mike" Augustine always turned out championship teams in the past, and it looks as though this year will be no exception. If you have noticed boys running in a long line, it is the track boys working out. The strict training rules pay off with victories and trophies. Congratulations, track team!

### Cage Monkeys

Much credit should be given to the boys who come every night after school and hand out uniforms and equipment to the different teams. The "Cage Monkeys" are hard working boys, and at the end of the year they may earn a letter. East High takes great pleasure in thanking these boys.

#### Student Managers

Row 1: Tomlinson, Irwin, Boehler; Row 2: Burgett, Manley; Row 3: Burkhart.

## G. A. A.

Swimming, along with juggling, tumbling, and basketball, not only aids one physically but can also give one enough points for a well-earned G.A.A. letter. The G.A.A. officers this semester are Betty Toney, publicity secretary; Ruth Damon, president; JoAnn Jesser, vice-president; Elizabeth Raspotnik, secretary. Physical fitness is important for girls as well as boys.

Miss Spencer, the G.A.A. adviser, meets with the girls after school. These girls receive much enjoyment from G.A.A. activities.

## Cheerleaders

The spirit of East High is always kept up because of the hard work and enthusiasm of the cheerleaders. The cheerleaders are Lee McMillan, Leon Gortler, Darrell Klemme, and Larry Larson, captain. Co-operation and large crowds at the games are just what it takes to make these fellows happy.

These lively lads who faithfully perform their duties through rain and snow leading East High to victory are advised by Mr. Stratton.
